Sir:

Further to the Interview Summary mailed by the Examiner on 24 March 2005, Applicants note that the Examiner called Applicants' representative on 01 March 2005. During the telephone conversation, the Examiner indicated that new prior art had been found, and inquired whether the Applicants desired to cancel the previously rejected claims and proceed with the previously allowed subject matter. Applicants' representative declined and asked the Examiner to issue a written Office Action so that the merits of the new prior art could be reviewed.

Respectfully submitted,
